Savings Account Terms and Conditions

Document ref: SB/RET/SA/2026 | Version 3.2 | Effective from 1 April 2026 | Approved by the Board of Directors

1. Introduction and Scope

These Terms and Conditions govern all Savings Bank (SB) accounts opened and maintained with SecureBank Ltd. ("the Bank"). By opening a Savings Account, the customer agrees to be bound by these terms, the Schedule of Charges in force from time to time, and any directions issued by the regulator. The Bank may amend these terms with at least 30 days' prior notice to customers through SMS, email, the SecureBank mobile app or a notice on the Bank's website.

This document applies to the following variants: Regular Savings Account, Salary Savings Account, Senior Citizen Savings Account, Basic Savings Bank Deposit Account (BSBDA) and Minor Savings Account. Where a variant has specific features, these are described in Section 4.

2. Eligibility

A Savings Account may be opened by individuals who are resident in India, either singly or jointly. The following persons are eligible:

- Resident individuals aged 18 years and above, singly or jointly with up to three other individuals.
- Minors aged 10 years and above may open and operate an account independently, subject to limits described in Section 4.5.
- Minors below 10 years may hold an account operated by a natural or legally appointed guardian.
- Hindu Undivided Families (HUFs), through the Karta.
- Non-resident Indians (NRIs) are not eligible for this product and should refer to the NRE/NRO Account Terms.

3. Account Opening and KYC Requirements

3.1 Documents required

As per Know Your Customer (KYC) norms, every customer must submit proof of identity, proof of address and a recent photograph. The following documents are accepted:

Requirement	Accepted documents
Proof of identity	PAN card (mandatory) or Form 60 if PAN is not available
Proof of address	Aadhaar card, passport, voter ID card or driving licence
Photograph	One recent passport-size colour photograph
Minors	Birth certificate plus guardian's KYC documents

3.2 Modes of opening

Customers can open an account (a) digitally through the SecureBank mobile app using Video KYC, which typically takes 10 to 15 minutes, or (b) by visiting any SecureBank branch with original documents. Accounts opened through Video KYC are fully operational immediately. Accounts opened using only Aadhaar OTP-based e-KYC (without Video KYC) are treated as 'Small Accounts' with a maximum balance of Rs. 1,00,000 and must be upgraded to full KYC within 12 months.

3.3 Periodic KYC update

KYC details must be refreshed every 10 years for low-risk customers, every 8 years for medium-risk customers and every 2 years for high-risk customers. If there is no change in KYC information, a self-declaration through the mobile app, internet banking or email from the registered email address is sufficient. Failure to update KYC may result in partial freezing of the account, where credits are allowed but debits are restricted until KYC is updated.

4. Account Variants and Features

Variant	Minimum average monthly balance (AMB)	Key features
Regular Savings	Metro/Urban: Rs. 10,000; Semi-urban: Rs. 5,000; Rural: Rs. 2,500	Free debit card, 5 free ATM withdraw
Salary Savings	Nil (as long as salary is credited monthly)	Free Platinum debit card, unlimited S
Senior Citizen Savings	Rs. 5,000 in all locations	Additional 0.5% interest on balances
Basic Savings (BSBDA)	Nil	4 free withdrawals per month includi
Minor Savings	Rs. 1,000	Daily ATM withdrawal limit of Rs. 2,5

4.1 Salary account conversion

If no salary is credited to a Salary Savings Account for three consecutive months, the account will be automatically converted to a Regular Savings Account and the corresponding minimum balance requirements and charges will apply from the following month. The customer will be informed by SMS and email at least 15 days before conversion.

4.5 Minors operating independently

Minors aged 10 years and above operating their own accounts are not permitted to overdraw the account, cannot be issued a cheque book, and have a maximum daily debit limit of Rs. 2,500 across all channels. On attaining majority (18 years), the minor must submit fresh KYC and specimen signature, after which the account is converted to a Regular Savings Account.

5. Interest on Savings Accounts

Interest is calculated on the daily closing balance and credited to the account on a quarterly basis, in the last week of June, September, December and March. Interest rates are reviewed periodically by the Bank's Asset Liability Committee (ALCO) and any change is published on the website.

Daily closing balance	Interest rate (per annum)
Up to Rs. 1 lakh	3.00%
Above Rs. 1 lakh up to Rs. 10 lakh	3.25%
Above Rs. 10 lakh up to Rs. 1 crore	3.50%
Above Rs. 1 crore	4.00%

Interest earned on Savings Accounts is taxable. Individuals may claim a deduction of up to Rs. 10,000 per year on savings interest under applicable income tax provisions (Rs. 50,000 for senior citizens, combined with deposit interest). The Bank does not deduct TDS on savings account interest.

6. Non-maintenance of Minimum Balance

If the average monthly balance (AMB) falls below the required amount, a charge is levied as per the table below. Before levying any charge, the Bank will notify the customer by SMS and email, and the customer will be given one month to restore the balance. Charges for non-maintenance will never cause the account balance to become negative.

Shortfall in AMB	Metro/Urban	Semi-urban	Rural
Up to 25%	Rs. 150	Rs. 100	Rs. 50
25% to 50%	Rs. 250	Rs. 175	Rs. 75
Above 50%	Rs. 400	Rs. 300	Rs. 150

All charges are subject to applicable GST, currently 18%.

7. Cheque Books and Standing Instructions

Regular Savings Account holders receive one free cheque book of 25 leaves per financial year. Additional cheque books are charged as per the Schedule of Charges. Cheques are valid for three months from the date of issue. Customers can register 'Positive Pay' for cheques of Rs. 50,000 and above through the app; for cheques of Rs. 5 lakh and above, Positive Pay confirmation is mandatory, failing which the cheque may be returned.

Standing instructions for recurring transfers (for example, to a Recurring Deposit or a loan EMI) can be set up through the app or at a branch, free of charge. If a standing instruction fails due to insufficient funds, a charge of Rs. 100 plus GST is levied per failure.

8. Dormant and Inoperative Accounts

An account with no customer-induced transactions for 12 months is classified as 'Dormant'. If there are no customer-induced transactions for 24 months, the account is classified as 'Inoperative'. Interest credits and bank charges are not considered customer-induced transactions. No charge is levied for classifying an account as dormant or inoperative, and interest continues to be credited.

To reactivate an inoperative account, the customer must submit fresh KYC documents at any branch or through Video KYC. Reactivation is free of charge and is normally completed within 3 working days. Balances in accounts that remain inoperative for 10 years are transferred to the regulator's Depositor Education and Awareness Fund, but customers can claim these amounts back at any time with interest.

9. Nomination

Customers are strongly encouraged to register a nominee. Up to four nominees may be registered for a Savings Account, with the percentage share specified for each. Nomination can be added or changed at any time through the app, internet banking or a branch, free of charge. In the event of the death of the account holder, the balance is paid to the nominee(s) on submission of the death certificate and the nominee's KYC, typically within 15 days.

10. Closure of Account

A customer may close the account at any time by submitting a closure request at a branch or through the app. No closure charge is levied if the account is closed within 14 days of opening or after 12 months of opening. Accounts closed between 14 days and 12 months from opening attract a closure charge of Rs. 500 plus GST. Unused cheque leaves and the debit card must be surrendered or destroyed at the time of closure.

The Bank may close an account after giving 30 days' notice if the account is used for fraudulent or unlawful purposes, if KYC is not provided, or if required by law. The reasons for closure will be communicated in writing.

11. Deposit Insurance

Deposits held in Savings Accounts are insured by the Deposit Insurance and Credit Guarantee Corporation (DICGC) up to Rs. 5,00,000 per depositor, per bank, including principal and interest, across all accounts held in the same capacity and right.
