Debit and Credit Card Terms and Conditions

Document ref: SB/CARDS/TNC/2026 | Version 3.2 | Effective from 1 April 2026 | Approved by the Board of Directors

1. Applicability

These terms apply to all debit cards and credit cards issued by SecureBank Ltd. ("Card"). Use of the Card constitutes acceptance of these terms. The cardholder is responsible for the safe keeping of the Card, the PIN, the CVV and any One Time Password (OTP) received on the registered mobile number.

2. Card Variants

Card	Type	Annual fee	Fee waiver condition
Classic Debit	Debit (RuPay/Visa)	Rs. 150	None
Platinum Debit	Debit (Visa)	Rs. 500	Average quarterly balance above Rs. 1 lakh
Secure Rewards Credit	Credit (Visa)	Rs. 499	Annual spends above Rs. 1,00,000
Secure Prime Credit	Credit (Mastercard)	Rs. 2,999	Annual spends above Rs. 4,00,000
Secure FD-backed Credit	Credit (RuPay)	Nil	Issued against an FD of Rs. 20,000 or more

Joining and annual fees are subject to GST at 18%. Annual fees are charged on the card anniversary date.

3. Activation and PIN

New cards are dispatched in an inactive state to the registered mailing address and are delivered within 7 working days. A card can be activated by setting a PIN through the mobile app (Cards > Set PIN), at any SecureBank ATM, or through the IVR on 1800-000-1234. A card that is not activated within 30 days of issue will be closed automatically for security reasons and a new card must be requested.

On activation, cards are enabled only for domestic contact-based (chip and PIN) transactions at ATMs and Point of Sale (POS) terminals. Online (card-not-present), contactless and international usage are disabled by default and must be enabled separately by the cardholder.

4. Transaction Limits

4.1 Debit card daily limits

Channel	Classic Debit	Platinum Debit
ATM cash withdrawal	Rs. 25,000	Rs. 1,00,000
POS purchases	Rs. 50,000	Rs. 3,00,000
Online purchases	Rs. 50,000	Rs. 2,00,000
Contactless (per transaction)	Rs. 5,000	Rs. 5,000

Cardholders may lower these limits, or raise them up to the maximum shown, through the app under Cards > Manage Limits. Changes take effect immediately. Contactless transactions above Rs. 5,000 require PIN entry.

4.2 Credit limit

The credit limit is assigned based on the applicant's income, credit history and the Bank's internal policy, and is communicated in the welcome letter. The cash withdrawal limit on a credit card is 40% of the total

credit limit. The Bank may review and change the credit limit, and will inform the cardholder of any reduction in advance. A limit increase is offered only with the cardholder's explicit consent.

5. Lost, Stolen or Compromised Cards

5.1 Blocking a card

If a card is lost, stolen, or the cardholder suspects that card details have been compromised, the cardholder must block the card immediately using any of the following channels, available 24x7:

- SecureBank mobile app: Cards > Block Card (instant).
- SecureBank support chat in the app or on the website.
- Toll-free helpline 1800-000-1234 (24x7), or +91-22-4000-1234 from outside India.
- SMS 'BLOCK ' to 56767 from the registered mobile number.
- Any SecureBank branch during working hours.

Blocking is permanent and cannot be reversed. The Bank will send an SMS and email confirmation with a reference number immediately after blocking. Any liability for transactions after the card is reported as lost or stolen rests with the Bank, as described in the Customer Protection Policy.

5.2 Temporary freeze

If the cardholder has misplaced the card but expects to find it, the card can be temporarily frozen through the app under Cards > Freeze Card. A frozen card cannot be used for any transaction but can be unfrozen at any time through the app. Recurring payments (standing instructions on the card) will fail while the card is frozen.

5.3 Replacement card

After a card is blocked, a replacement card can be requested through the app, chat, helpline or branch. The replacement card has a new card number and CVV. A replacement fee of Rs. 200 plus GST applies to debit cards and Rs. 100 plus GST to credit cards; the fee is waived if the card was blocked because of a reported fraud or a Bank-side data compromise. Replacement cards are delivered within 7 working days to the registered address. Any recurring payments linked to the old card must be updated by the cardholder with the new card details.

6. International Usage

International usage (at ATMs, POS terminals and online merchants outside India) is disabled by default. It can be enabled through the app under Cards > International Usage, where the cardholder can select specific countries and dates. A foreign currency mark-up fee of 3.5% plus GST applies to all international transactions on debit cards and Secure Rewards Credit cards, and 2.0% plus GST on Secure Prime Credit cards. International ATM withdrawals attract a fee of Rs. 125 plus GST per transaction.

7. Credit Card Billing and Payments

A monthly statement is generated on the statement date chosen by the cardholder at the time of application. The payment due date is 20 days after the statement date. The cardholder may pay either the Total Amount Due or at least the Minimum Amount Due, which is 5% of the total outstanding or Rs. 200, whichever is higher, plus any EMI amounts and overlimit amounts.

Charge	Amount
Finance charge on revolving credit	3.5% per month (42% per annum)
Cash advance fee	2.5% of amount, minimum Rs. 500
Late payment (outstanding up to Rs. 5,000)	Rs. 500

Charge	Amount
Late payment (Rs. 5,001 to Rs. 25,000)	Rs. 900
Late payment (above Rs. 25,000)	Rs. 1,300
Overlimit fee	2.5% of overlimit amount, minimum Rs. 550
Card replacement	Rs. 100

Interest-free credit of up to 50 days is available on purchases if the previous statement's Total Amount Due was paid in full by the due date. Cash advances do not get any interest-free period and attract finance charges from the date of withdrawal. Late payment charges are levied only if the Minimum Amount Due is not paid within 3 days after the payment due date.

8. Reward Points

Secure Rewards Credit cardholders earn 2 reward points per Rs. 100 spent; Secure Prime Credit cardholders earn 5 reward points per Rs. 100 spent. Reward points are not earned on fuel, rent payments, wallet loads, cash advances or EMI transactions. Points are valid for 3 years from the date of accrual and can be redeemed in the app against statement credit (1 point = Rs. 0.25), vouchers or air miles.

9. Closure of Card

A credit card can be closed at any time through the app, helpline or branch, after all dues are cleared. The Bank will close the card within 7 working days of the request. If the closure is delayed beyond 7 working days for reasons attributable to the Bank, a penalty of Rs. 500 per day of delay is payable to the cardholder. A debit card is closed automatically when the linked account is closed.

10. Safety Guidelines

- Never share your card PIN, CVV, OTP or full card number with anyone, including persons claiming to be Bank employees.
- SecureBank will never call, SMS or email you asking for these details.
- Disable online, contactless and international usage when not required.
- Register for SMS and email alerts for all card transactions; this is mandatory for credit cards.
- Report any unauthorised transaction immediately, as described in the Customer Protection Policy.
