# Customer Grievance Redressal Policy

Document ref: SB/CS/GRP/2026 | Version 3.2 | Effective from 1 April 2026 | Approved by the Board of Directors

## 1. Purpose

SecureBank Ltd. is committed to treating customers fairly and resolving complaints promptly. This policy explains how customers can register a complaint, the escalation levels within the Bank, response timelines and the customer's right to approach the Banking Ombudsman.

## 2. Principles

- Customers are treated fairly at all times and complaints are dealt with courteously and on time.
- Customers are informed of avenues to escalate their complaints within the Bank and of their right to alternative remedies if not satisfied.
- Complaints are handled efficiently and fairly, as they can damage the Bank's reputation if handled otherwise.
- Employees work in good faith and without prejudice to the interests of the customer.

## 3. How to Register a Complaint

Customers may register a complaint through any of the following channels. Every complaint receives a unique reference number, sent by SMS and email immediately.

- SecureBank mobile app: Help > Raise a Complaint.
- Support chat, by asking to raise a complaint or to speak to a human agent.
- Toll-free helpline 1800-000-1234.
- Email to care@securebank.example.
- Complaint register or complaint box available at every branch, or by speaking to the Branch Manager.

## 4. Escalation Matrix

| Level | Contact | When to approach |
|---|---|---|
| Level 1 | Branch / Customer Care | First point of contact for any complaint |
| Level 2 | Grievance Redressal Officer (grievance@securebank.example) | Not resolved at Level 1, or not satisfied with the respon |
| Level 3 | Principal Nodal Officer (nodal.officer@securebank.example) | Not resolved at Level 2 |
| External | Banking Ombudsman (cms.rbi.org.in) | Not resolved within 30 days, or rejected by the Bank |

The total time taken by the Bank to resolve a complaint across all internal levels will not exceed 30 days. If a complaint is partly or wholly rejected, the Bank will inform the customer in writing with reasons and will advise the customer of their right to approach the Banking Ombudsman.

## 5. Internal Ombudsman

Before rejecting any complaint wholly or partly, the Bank refers it to its Internal Ombudsman, an independent authority within the Bank, for review. The customer does not need to approach the Internal Ombudsman directly. The final decision communicated to the customer will state that the complaint was reviewed by the Internal Ombudsman.

## 6. Banking Ombudsman

If the complaint is not resolved within 30 days, or the customer is not satisfied with the Bank's reply, the customer can file a complaint with the Banking Ombudsman under the Integrated Ombudsman Scheme through cms.rbi.org.in, by email to crpc@rbi.org.in, or by post to the Centralised Receipt and Processing Centre. The complaint must be filed within one year of receiving the Bank's reply, or within one year and 30 days of the date of the original complaint if no reply was received. Filing a complaint with the Ombudsman is free of charge.

## 7. Compensation

The Bank compensates customers for financial loss arising from deficiency in service, including delays in failed transaction reversal (Rs. 100 per day, as per the Customer Protection Policy), delay in credit card closure (Rs. 500 per day), delayed collection of outstation cheques (interest at the savings rate plus 2%), and loss of documents of title to property pledged with the Bank. Compensation is credited to the customer's account without the need for a separate claim where the Bank's systems can identify the deficiency.

## 8. Sensitive Complaints

Complaints alleging fraud, mis-selling, harassment by recovery agents, discrimination or misconduct by an employee are classified as sensitive. They are escalated directly to Level 2 and handled by a dedicated team, with an interim response within 3 working days. Customers are never asked to withdraw a complaint as a condition for resolution.

## 9. Customer Service Committee

The Bank's Customer Service Committee of the Board reviews complaint trends every quarter, including root causes, ageing and repeat complaints, and approves corrective actions. A summary of complaints received and resolved is published annually on the Bank's website.
